HEAT AND WEATHER POLICY

Stu Riddle Soccer Camp's staff will make decisions based on heat and inclement weather in the best interest of the attendees. Our first priority is to make sure the attendees have a safe and fun learning experience at our camps. If the temperature and heat index rise to pre-determined levels that are standard in NCAA competition, our athletic training staff will work with our sports camp staff to ensure proper hydration, breaks, and if needed, moving inside an air-conditioned space.

If inclement weather is in the area, and particularly lightning, our athletic training staff and camp staff will also take necessary precautions to ensure the safety of our attendees by moving them indoors. Weather and natural occurrences cannot be controlled by Northern Kentucky University and Stu Riddle Soccer Camps– there will be no refunds or rescheduled dates for camp days that are affected by heat and inclement weather.

STU RIDDLE
HEAD MEN’S SOCCER COACH
NORTHERN KENTUCKY UNIVERSITY

Northern Kentucky University Director of Athletics Ken Bothof announced the hiring of Stu Riddle as Head Men’s Soccer Coach on January 9, 2017. Riddle is the fourth-ever head coach of the Norse.

Riddle comes to NKU following a four-year stint as head men’s soccer coach at the University at Buffalo where he most recently led the Bulls to their second-straight Mid-American Conference Championship match appearance.

In addition to leading Buffalo to a pair of MAC Championship appearances in each of the last two seasons, Riddle guided the Bulls to the program’s winningest season in over a decade in 2016 with a record of 12-4-3, which included a school-record 10 shutouts. The Bulls garnered NSCAA top-25 votes for five-consecutive weeks and ended the season with a school record No. 47 ranking in the RPI and No. 4 ranking in the Great Lakes Regional poll. Russell Cicerone, one of Riddle’s players at Buffalo for the last four years, was drafted by the Portland Timbers of the MLS and recently signed a contract to play for the Timbers II in the USL.

The Wellington, New Zealand native has eight years of experience as a head coach at the Division I level. Riddle has made four MAC Championship appearances in the last seven years at two different MAC institutions – Buffalo and Western Michigan. He has coached 17 All-MAC selections along with one conference player of the year and one freshman of the year while 13 players have also received All-MAC Tournament Team honors under his guidance.

A 1998 graduate of Coastal Carolina, Riddle began his coaching career as a Volunteer Assistant Coach at his alma mater after playing collegiately for the Chanticleers. He earned All-Big South Conference honors as a player and also played professionally in Australia, England, Scotland and the New Zealand National Team.

His coaching career included stops at the University of Evansville, the University of Southern Indiana and Fairfield University where he served as an assistant coach. He also coached the Kalamazoo Outrage Soccer Club from 2007-08 in the organization’s debut season in the United Soccer League’s Premier Development League.
